Here we installed a hot tub, the electrical disconnect, the deck lighting and built the deck. Here at **Rainier Handyman Services** we are your one stop home repair specialists. We never take on a task where we can not guarantee great results.

We can install and repair many types of flooring, wood, laminate, hardwood, tile, linoleum.

Need Recessed Lighting. We can do that. We can assist with mapping out a layout to highlight your most cherished belongings, or to simply create that desired ambience for entertaining.

We can install complete low voltage packages – Phone, Cable, Wireless Networks and video cameras using a complete home low voltage system that will allow the home owner the ability to modify their system at any time.

We can weld up a new hand rail from scratch, or make minor repairs to existing railings and fences.

We have also designed, and installed remote gate systems.

Storage Sheds

Front Porches

Custom Flower Beds & Fire Pits

If you are in need of some hauling assistance give **Rainier Handyman Services** a call. We can bring the smaller loads to you or haul them away.
